ARTICLE IV - DUES CHECK OFF

Section 1: During the term of the Agreement and to the extent permitted by applicable federal and state law, the Employer shall deduct an Employee's regular union dues or fees, as certified by the Union, from the Employee's biweekly net earnings, provided the Employer timely receives from each Employee individually signed dues check-off authorization forms in accordance with applicable law. The Employer shall have no responsibility for the collection of initiation fees, special assessments or any other deductions requested by the Union.

Section 6: Except as provided in Article III of the Agreement, an Employee's unwillingness to sign, execute or revoke a written authorization for union dues deductions; an Employee's failure or refusal to make any union dues or other financial payments that may be due to the Union; or an Employee's membership in the Union or unwillingness to join or remain a member of the Union, shall not affect the Employee's terms and conditions of employment with the Employer.

If the policy changes, the Employer, upon its receipt, will provide the Employees and the Union with the new policy before it takes effect.

Section 2: A non-employee representative of the Union may be admitted to the Employer's facility at reasonable times during work hours to conduct union-related business. Any such visit to the Employer's premises must be approved by the Employer and scheduled in advance with at least twenty four (24) hours advance notice and such approval shall not be unreasonably denied. Any such visit must be conducted so as to not interrupt employee work schedules or disrupt the Employer's operations. The Union representative accessing the Employer's premises must comply with all rules and regulations of the Employer. The Union representative must check in at the Employer.

Section 3: The Association, acting through the employee's Local Unit, may use available rooms at Employer's facilities for Association meetings. Requests for the use of meeting room shall be made in advance; such requests shall not be unreasonably denied.

The listing of specific rights in this Agreement is not intended to be, nor shall it be considered restrictive of or a waiver of any rights of management not listed and not specifically surrendered herein, whether or not such rights have been exercised by the Employer in the past.

Section 2: All rights heretofore exercised by the Employer or inherent in the Employer's rights and not expressly contracted away by the specific provisions of this Agreement are retained solely by the Employer. The failure of the Employer to exercise any function, power, or right reserved or retained by it, or the exercise of any power, function or right in a particular manner, shall not be deemed a waiver of the right of the Employer to exercise such power, function, authority, or right, or preclude the Employer from exercising the same in some manner so long as it does not conflict with an express provision of this Agreement, or the National Labor Relations Act.

Section 3: The Company may introduce a revision in the method or methods of operation which will produce a change in job duties or functions and a reduction in personnel. Nothing in this Agreement shall prevent the implementation of any program whether or not the implementation of such program results in a reduction of the work force; provided, however, that nothing in this Article relieves the Employer from bargaining with the Union concerning the impact of such a program.

ARTICLE VII - PROBATIONARY PERIOD

Section 1: The initial ninety (90) calendar days of a new regular full time and regular part time and part time and per diem Employee's employment shall be considered to be a probationary period, excluding any calendar days missed for illness or other reasons. All such missed calendar days shall be added to and will extend the employee's probationary period. The Employer may, in its discretion, extend the probationary period for an additional thirty (30) calendar days post the initial ninety (90) calendar day probationary period, to more fully evaluate an Employee's performance.

Section 2: During an Employee's probationary period the Employee may be disciplined or terminated from employment with or without cause, at the sole discretion of the Employer. Any discipline or Termination from employment occurring within the probationary period shall not be subject to or reviewable under the Grievance and Arbitration provisions of this Agreement.

ARTICLE VIII - DISCIPLINE AND DISCHARGE

Section 1: No Employee will be discharged, suspended or disciplined without just cause. The Employer maintains sole discretion in deciding whether to discharge, suspend or otherwise discipline any Employee.

Section 2: An Employee is required to sign a discipline document as evidence of receipt. The Employee's signature on the discipline document shall signify that the Employee has received a copy of the discipline document and shall not signify an admission of guilt.

Section 3: All objections made by the Union to disciplinary action must be processed through the Grievance and Arbitration provisions as outlined in this Agreement.

Section 4: One progressive discipline procedure will exist for all appropriate discipline including, but not limited to, violations of the Employer's attendance policy, work rules, and other Company policies. The progressive discipline procedure will typically consist of one or more of the following steps:

Documented Counseling

Written Warning

Final Written Warning

Termination

A Documented Counseling and a Written Warning shall remain in effect for one (1) year from the date of issuance. A Final Written Warning shall remain in effect for two (2) years from the date of issuance. The parties acknowledge that there may be circumstances justifying immediate discharge or skipping one or more of the steps of progressive discipline.

Section 5: In the event that disciplinary action is submitted to arbitration under the Grievance and Arbitration provisions, the arbitrator shall not base his or her decision solely on the failure of either party to call a patient, visitor or employee witness to appear at a hearing. Furthermore, the arbitrator shall not issue any subpoena or compulsion to attend to any such patient or visitor.

ARTICLE IX - SENIORITY

Section 1: Seniority shall mean the length of continuous active employment by the Employee with the Employer and shall be measured from the Employee's date of hire into a bargaining unit position by the Employer. If an Employee takes a position out of the bargaining unit, the Employee's seniority will be frozen during the time the Employee is out of the bargaining unit and will resume upon re-entry into the bargaining unit. If more than one Employee has the same service date, then the method of determining the senior Employee shall be to compare each Employee's birth month and the Employee with a birth month earlier in the calendar year shall be the more senior Employee. If there is a tie breaker regarding birth month, the birth day shall be used in determining seniority. The Employee with the earlier date in the month shall be more senior.

Section 2: One seniority list for the Employees shall be kept by the Employer.

Section 3: In the event it becomes necessary to lay-off Employees, the Employer shall conduct the lay-off in the following order: volunteers, Temporary, and then Part-Time, Regular Part-Time and Regular Full-Time Employees in the reverse order of seniority. Nurses on lay-off may be offered Per Diem positions. During a period of lay-off, the Employer will not contract with Temporary Employees or utilize Traveling Agency nurses, Temporary nurses or nurses not covered by this Agreement. Per Diem nurse(s) will not be used to fill the FTE of the laid off nurse.

Section 4: In the event of a layoff, the Employer will give written notice to the affected Employee(s) and the Union at least two (2) weeks prior to the affected Employee's or Employees' final day of employment, or pay in lieu thereof.

Section 5: If there is a need to hire for a bargaining unit position during a layoff, the Employer will recall nurses in order of seniority, recalling first Regular Full-Time Employees, followed by Regular Part-Time and then Part-Time Employees for the position then available.

Section 6: Seniority rights shall be lost and an Employee's employment with Employer shall end for any of the following reasons:

- (a) An Employee resigns, quits, or retires;
- (b) An Employee who has been laid off, who does not accept, or is unable to accept an offer of employment within two (2) calendar days, and who does not report to work from recall within fourteen (14) calendar days after the Employee has been notified in writing, by telephone, telecopy, hand delivery, overnight mail or registered mail to return to work. It shall be the responsibility of the Employee to keep the Employer advised of his/her current mailing address;
- (c) An Employee is discharged; or

(d) An Employee is on layoff in excess of six (6) months.

ARTICLE X - HOURS OF WORK

Section 1: The work week will consist of seven (7) consecutive twenty-four hour periods beginning at 12:00 midnight Sunday and ending at 11:59 p.m. Saturday. The weekend starts on 12:00 midnight Saturday and ends 11:59 p.m. Sunday.

Section 2: Any number of actual hours worked in excess of forty (40) hours per work week shall be considered as overtime hours. Overtime at the rate of one and one half (1 ½) times the regular rate of pay (as defined under applicable law) shall be paid to Employees for all hours worked in excess of forty (40) hours in a work week.

Section 3: Each Employee must timely report to work by his/her scheduled start time and be prepared to commence work at the start of the Employee's shift. No Employee may punch in at the time clock earlier than seven (7) minutes prior to the start of the Employee's scheduled work time. No Employees may start work prior to the scheduled starting time of his/her shift unless extenuating clinic conditions exist. Employee must note on timecard exemption report as to the extenuating conditions. Such notation is subject to management review. No Employee may punch out at the time clock prior to the end of the Employee's scheduled work time unless the Employee has been authorized to leave work early. Generally, Employees are expected to complete their work by the end of their shift.

Section 4: Both the Company and the Union recognize the importance of reporting an absence or late report as soon as possible to optimize success of finding a replacement employee. When an Employee is unable to report for work at his or her regularly scheduled starting time, such Employee must make every reasonable effort to give his or her supervisor, or designee, as much advance notice as possible. Eight (8) or more hours or prior calendar day notice is preferred, except in extenuating circumstances but in no instance less than two (2) hours' notice of his or her inability to report.

Section 5: The Employer retains the sole discretion to establish the work schedule, reestablish or modify the work week, the number of hours that an employee is regularly scheduled to work each work day, and the times that employees are regularly scheduled for breaks during the work day, as more fully described in the Management Rights Article of this Agreement.

The Employer will develop the schedule and or the scheduling template according to staffing and patient care needs. With Employer approval and oversight, the employees may prepare a self-scheduled draft using the Employer's template. Schedules will be posted two (2) weeks prior to the first day of the new schedule. Schedules shall be for a minimum of six (6) weeks in duration.

The Employees currently work twelve (12) hour shifts. If the Employer, in its sole discretion, determines to change the length of the work shift, the Employer will ask for volunteers and if an insufficient number of Employees volunteer, the Employer shall assign Employees in the reverse order of seniority. The Employer shall provide the Union notice and the opportunity to meet and confer concerning permanent changes in the work schedules. This Section does not limit the Employer's right to change the length of the work shift for all Employees.

Section 6: Management will make reasonable efforts to reduce the number of Saturdays worked by the Employees and will assign weekend days on an equitable basis among the Employees.

Employees may not be scheduled to work or be on-call more often than every other weekend unless mutually agreed, or the needs of the business dictate otherwise.

Section 7: The Employees must request days off prior to the posting of the schedule in accordance with the Paid Time Off, Article XVII herein. If the Employee wishes to change his or her posted schedule, the Employee must arrange to have another Employee who is fully qualified fill the shift and must obtain his or her Clinical Manager or designee's approval of such change. Once the schedule is posted, changes must be made in writing only with mutual consent of the Employee and the Employer.

Section 8: Although Employees are scheduled in accordance with their standard weekly hours, the Employer does not guarantee any minimum number of hours of work per work day, work week or per year for Employees covered by this Agreement. The Employer retains the sole discretion to require an Employee to not work, to arrive later than the Employee's regular start time, and/or leave prior to the end of the Employee's regular end time on any work day based on business needs. If Employees are sent home before the end of their scheduled shift employees will be paid only for hours actually worked.

Section 9: There shall be no pyramiding of overtime.

Section 10: The Employer shall use reasonable efforts to provide Employees with two (2) hour advance notification of the need to work overtime, unless legitimate business circumstances prevent such advance notice.

Section 11: In the event that the Employer requires additional shifts to be worked by the bargaining unit Employees, then it shall assign as set forth herein. Initially, the Employer will seek volunteers for the additional shifts and award them on a first come first serve basis. In the event that an insufficient number of Employees have volunteered to satisfy the need, then the Employer may assign employees to work the additional shifts on a mandatory rotating basis in reverse order of seniority, as equitably as possible. Failure to work overtime when required is subject to discipline by the Employer. The Employer reserves the right to select or deny Employees overtime.

Section 12: Employees shall receive one (1) paid fifteen (15) minute break period for each four (4) hours worked when working conditions allow. If working conditions do not allow, the Employee may take their break (s) later in the shift.

Section 13: Employees may take a thirty (30) minute unpaid meal period. In the event an Employee is unable to take his or her meal period due to patient care or other operational needs, with prior management approval, the Employee will be compensated and will be responsible for canceling his or her meal deduction in accordance with the applicable time-keeping procedure.

The scheduling of rest and meal periods is within the discretion of the Employer.

Section 14: An Employee will not be scheduled to work a split shift unless mutually agreed to by the Employee and the Employer.

ARTICLE XI - PERFORMANCE OF BARGAINING UNIT WORK

Employees or subcontractors excluded from the Agreement shall not displace an Employee performing bargaining unit work, however, they may provide assistance to meet patient care deadlines, assist with training and orientation of new Employees, cover bargaining unit Employees for meal periods and breaks, work shifts related to unexpected absences, emergencies or other intermittent work.

ARTICLE XII - LOW CENSUS

Section 1: At the time the schedule is posted, a low census calendar mirroring the schedule time period shall also be posted. The Employees who volunteer for low census hours will indicate their desire on the low census calendar.

Section 2: If the Employer needs to temporarily reduce staffing on a particular shift, the Clinical Manager, or in the alternative, the Area Manager or Director of Operations, as applicable, shall consult the low census calendar for volunteers. Voluntary low census days shall be distributed as equitably as reasonably possible among the volunteer Employees.

Section 3: If there are insufficient volunteer Employees for low census hours, the Clinical Manager, or in the alternative, the Area Manager or Director of Operations, as applicable, will assign an Employee or Employees to be off work. Employees who are scheduled to work more than 40 hours for the week will be assigned low census first. Additional assignments shall be rotated in reverse order of seniority. Probationary Employees in training are not subject to low census.

Section 4: Low census is assigned in 4 hour increments. An Employee on low census may be contacted to return to work after 4 hours if the operational needs of the clinic require it.

ARTICLE XIII - FILLING VACANCIES

Section 1: In the event there are vacancies to be filled and the candidates for the vacant position(s) are internal, and provided that merit and ability are substantially equal, seniority will be the deciding factor in awarding the position(s).

Section 2: Nurse positions which are available for recruitment shall be posted in the clinic at least seven (7) calendar days prior to the application deadline. Postings will also occur on the Company website. Qualified internal candidates will be considered before external candidates.

ARTICLE XIV - ON CALL

Employees assigned the responsibility of being available to be called to work during a specified period, will be designated as on-call. On-call coverage may include coverage of outpatient/in-center, inpatient, and/or home therapies, based upon the special qualifications of the on-call Employee and the needs of the business.

On call is defined as the hours when there is not a regularly scheduled shift or Employee to cover outpatient/in-center, inpatient, and/or home therapies. If the Employer requests that an Employee begin on-call coverage during hours when there are regularly scheduled shifts, that Employee will be compensated at the on call rate as set forth in this Article.

The Clinical Manager, or the Area Manager or their designee, shall determine the number of on call shifts required for each schedule. The call shifts shall be divided equitably as possible amongst all Employees eligible for call.

The Employer will develop the on-call schedule and/or the on-call scheduling template according to staffing and patient care needs. With Employer approval and oversight, the employees may prepare a self-scheduled on-call draft using the Employer's template. After the Employer approved schedule is posted, Employees shall take responsibility for call shifts on a rotating basis based on seniority. As new Employees become eligible for call, such Employees shall be added to the bottom of the rotation list. In the event new Employees have the same eligibility date, birth dates shall be used to determine placement on the rotation list as per Article IX Seniority. In the event an insufficient number of Employees have taken responsibility for on call shifts to satisfy the on call need, then the Employer may assign Employees to be on call on a mandatory rotating basis in reverse order of seniority, as equitably as possible.

Once an Employee is scheduled to be on call, such an on call shift may be cancelled by the Company in its discretion, with two (2) hour notice. Once properly noticed, failure to be on call when required is subject to discipline by the Employer.

When Employees are on call back status, report time is two (2) hours.

ARTICLE XV - COMPENSATION

Compensation is outlined in Appendix A.

Differentials are outlined in Appendix B.

ARTICLE XVI - BENEFITS

Section 1: The Employer agrees to offer the Employees covered by the Agreement the same medical, dental, vision, life, short term disability and long term disability insurance programs as it offers to other FMCNA employees, as well as any other employee benefit program it offers to other FMCNA employees, on the same basis and to the same extent.

The Employer may, in its discretion, make such changes in the programs (including but not limited to the type and amount of benefits, qualifications and the amount of employee contributions) as may from time to time be considered prudent by the Employer.

The meeting will be held at a mutually agreeable time with the Union Representative and the Regional Vice President or his/her designee. A written answer will be due within ten (10) calendar days after the Step 3 meeting.

Step 4: If a grievance has not been satisfactorily resolved in Step 3, the Union or the Employer may submit the matter to arbitration within ten (10) calendar days after receipt of the written answer in Step 3 by requesting the American Arbitration Association to provide the Employer and the Union a panel of seven (7) arbitrators. If the parties are unable to agree upon an arbitrator from the list, they will request a second panel from the American Arbitration Association and they shall alternately strike names from the second list with the Union striking the first name. The one person remaining shall be the arbitrator.

Section 3: If the Employer or the Union fails to file or process a grievance at any step within the time limits set forth above and the procedure is not waived by mutual written agreement, that grievance shall be considered and deemed waived or settled and such failure shall constitute a bar to all future actions thereon. Failure on the part of the Employer's designated representative to answer a grievance at any of the steps in the grievance procedure shall not be deemed acquiescence thereto, but the grievance may progress to the next step if so processed by the Union.

Section 4: An Employee shall comply with all instructions and perform all duties, when and as instructed, even though he or she may feel aggrieved provided that the Employee's health and safety are not placed in serious peril.

Section 5: Grievances resolved at any step of the grievance procedure will not be regarded as setting precedent for future interpretation of this Agreement. Any grievance may be moved directly to a more advanced step of the grievance procedure by mutual agreement by the parties.

Section 6: The arbitration of a grievance shall be extended only to those grievances which are arbitrable under this Agreement. In order for a grievance to be arbitrable: (1) it must have been processed through the grievance procedure properly and within the applicable time limits as set forth in this Agreement; (2) it must be referred to arbitration within the applicable time limits as set forth in this Agreement; and (3) it must not require the arbitrator, in order to rule in favor of the grievant, to exceed the scope of his or her jurisdiction as defined in this Article.

Section 7: The Arbitrator shall consider only the particular issue or issues presented in writing by the Employer and the Union. If the parties are not able to agree on the issue, the Arbitrator has the authority to determine the issues to be decided. The decision and award shall be based solely upon the Arbitrator's interpretation of the meaning or application of the terms of this Agreement to the facts of the grievance presented. The Arbitrator has no authority or power to add to, delete from, modify, disregard, or alter any of the written terms of this Agreement. A decision of the arbitrator on any grievance within the scope of the issues submitted and within the arbitrator's authority shall be final and binding on the Company, the Union and the Employee(s) involved.

Section 8: Subject to the terms of the Discipline and Discharge Article, the Arbitrator shall have the authority to order or deny reinstatement of an Employee with or without back pay. In the event there is an award of any back pay, the Arbitrator is required to submit a copy of the arbitration award to the Unemployment Insurance Division. Any Employee who has been discharged shall have the duty to seek work so as to mitigate the claim for back wages. Amounts earnable with reasonable diligence by the grievant shall operate to reduce the back pay otherwise allowable. Back pay liability shall not accrue from a date more than ten (10) calendar days prior to the time a written grievance is filed with the Employer.

Section 9: The arbitrator's fees and expenses shall be borne equally by the parties to this Agreement. The expenses incidental to each party's witnesses shall be borne by the party calling the witnesses. Each party shall pay their own filing fees, attorneys' fees and costs. In the event one of the parties wants a transcript of the arbitration hearing, the party requesting the transcript shall pay the cost. If the other party wishes a copy of the transcript, the cost of the transcript shall be shared equally.

Section 10: The fact that a claim or dispute has been processed under the grievance procedure set forth in this Agreement will not preclude the raising of the question of arbitrability with respect to such claim or dispute before the arbitrator selected to hear such claim or dispute; provided that the question of arbitrability is raised no later than in response to the Union's demand for arbitration.

Section 11: No more than one (1) grievance shall be submitted to the same arbitrator at a single hearing, except by mutual agreement of the parties.

Section 12: With respect to the time limitations set forth herein this Article, the ten (10) calendar days begins the day after the alleged violation of the Agreement, or the day after receipt of a written answer. If the tenth calendar day falls on a Saturday, Sunday or holiday, such holiday defined in the Employer's Paid Time Off policy, the response date shall be the next working day thereafter.
